

HOW TO INSTALL CIG

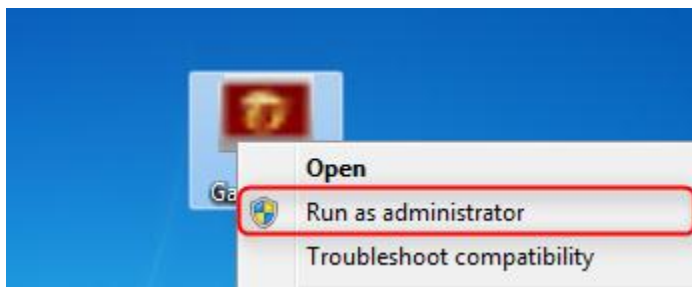

Here are the Directions on how to install the CIG Software for you to enjoy our GCA Program.

STEP 1: Disable restore function software such as Deepfreeze etc. then restart your PC
Download a CIG Software at <http://cdn.garenanow.com/gca/cig/download/GarenaCIG.zip>

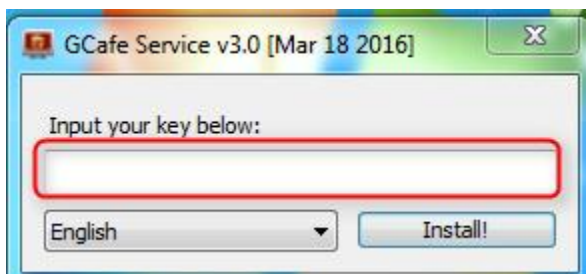

STEP 2: Extract the Garena CIG anywhere in your system. E.g. Desktop, My Documents, etc., as long as you remember where you extract it.

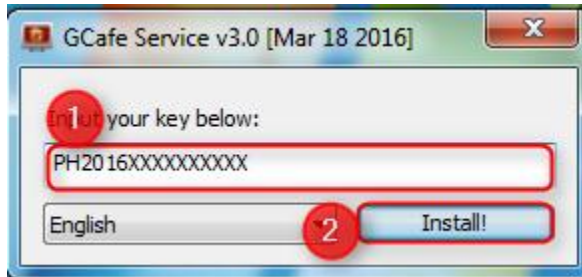

(For Windows 7 OS, Right Click and RUN AS ADMINISTRATOR)

STEP 3: During the installation you will be prompted to input a key.

STEP 4: Input your Personal AuthKey: ___

STEP 5: Once installation has been completed, you can now enable the restore function software and restart your PC (if necessary).

STEP 6: Kindly email us once you have successfully installed the CIG software to all of your PCs for us to activate your subscription request.
